INFORMATION STATEMENT

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY**

INTRODUCTION

This Information Statement is being furnished to the holders of common stock, par value \$0.0001 per share (the “Common Stock”), of HedgePath Pharmaceuticals, Inc. (the “Company,” “we,” “us,” “our” or similar terminology) in connection with the actions taken by our majority stockholder pursuant to two written consents in lieu of a meeting of the Company’s stockholders under Section 228 of the Delaware General Corporation Law (the “DGCL”) and the provisions of that certain Amended and Restated Equity Holders Agreement, dated May 15, 2015, between Mayne Pharma Ventures Pty Ltd (the “Voting Stockholder” or “Mayne Pharma”), the Company and the other parties thereto (the “EHA”).

This Information Statement is being furnished by us to our stockholders of record as of November 22, 2016 and as of November 30, 2016 (collectively, the “Record Dates”), to inform our stockholders that on November 22, 2016 and November 30, 2016, the Voting Stockholder, as the holder of approximately 55.9% of our outstanding Common Stock as of such dates, has taken and approved, by two separate written consents, actions to (i) remove Frank E. O’Donnell, Jr, M.D. as Executive Chairman of the Board of Directors and as a director of the Company, (ii) remove Samuel P. Sears, Jr. as a director of the Company, (iii) elect E. Brendan Magrab as Chairman of the Board of Directors and as a director of the Company and (iv) elect Robert D. Martin as a director of the Company (the “Actions”).

This Information Statement is being sent to you to notify you of the Actions being taken and shall constitute notice to you of the Voting Stockholder taking action by written consent under Section 228 of the DGCL.

The ability to proceed without a special meeting of the stockholders to approve, adopt and/or ratify the Action is authorized by Section 228 of the DGCL which provides that, unless otherwise provided in our Certificate of Incorporation, actions required or permitted to be taken at a meeting of our stockholders may be taken without a meeting if a written consent that sets forth the action so taken is signed by stockholders holding at least a majority of the voting power, except that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required. Such consent shall have the same force and effect as a majority vote of the stockholders and may be stated as such in any document. Our Certificate of Incorporation does not contain any provisions contrary to the provisions of Section 228 of the DGCL. Thus, to eliminate the cost and time involved in holding a meeting, and in order to take the Actions as described in this Information Statement, the Voting Stockholder executed and delivered two written consents to us approving the Actions.

We are distributing this Information Statement to our stockholders in satisfaction of any notice requirements we may have under the DGCL and of Regulation 14C of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

This Information Statement is dated as of and is first being sent or given to our stockholders of record on or about December 6, 2016.

As of the Record Dates, there were 353,412,172 shares of our Common Stock issued and outstanding and entitled to notice of and to vote on all matters presented to stockholders. We do not have any shares of preferred stock issued and outstanding. The required vote for the adoption of the Actions was a majority of the issued and outstanding shares of Common Stock. On November 22, 2016 and November 30, 2016, the Voting Stockholder, as the holder of record of approximately 55.9% of the outstanding shares of our voting stock on such dates, executed two separate written consents adopting and approving the Actions. When actions are taken by written consent of less than all of the stockholders entitled to vote on a matter, Section 228 of the DGCL requires notice of the action to those stockholders who did not vote. This Information Statement constitutes notice to you of the action by written consent as required by Section 228 of the DGCL. Because sufficient stockholder approval was obtained for the approval of the Actions, no other consents or votes will be solicited in connection with this Information Statement.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Aside from these relationships, the Company is not aware of any arrangements or understandings among the Voting Stockholder and the Company or any other Company stockholders with respect to election of directors or other matters relating to the Company. In addition, the Company is not aware of any other arrangements, including any pledge by any other person of securities of the Company, the operation of which may at a subsequent date result in a change in control of the Company.

2014 Equity Incentive Plan

In July 2014, our board of directors adopted our 2014 Equity Incentive Plan. On September 30, 2014, the EIP was approved by the majority of stockholders pending delivery of required notice to all company stockholders. The EIP is comprised of 32,583,475 shares of our common stock (ranking pari passu with our issued and outstanding common stock) to be available in the form of incentive stock options, non-qualified stock options, restricted stock, restricted stock units, performance awards and other customary equity incentives.

The purpose of our EIP is to attract and retain directors, officers, consultants, advisors and employees whose services are considered valuable, to encourage a sense of proprietorship and to stimulate an active interest of such persons in our development and financial achievements. The EIP will be administered by the compensation committee of our board of directors or by the full board of directors, which may determine, among other things, (a) the persons who are to receive awards, (b) the type or types of awards to be granted to such persons, (c) the number of shares of common stock to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with the awards, (d) the terms and conditions of any awards, (e) whether, to what extent, and under what circumstances awards may be settled or exercised in cash, shares of common stock, other securities, other awards or other property, or canceled, forfeited, or suspended and the method or methods by which awards may be settled, exercised, canceled, forfeited, or suspended, (f) whether, to what extent, and under what circumstances the delivery of cash, shares of common stock, other securities, other awards or other property and other amounts payable with respect to an award, (g) interpret, administer, reconcile any inconsistency in, settle any controversy regarding, correct any defect in and/or complete any omission in the EIP and any instrument or agreement relating to, or award granted under, the EIP, (h) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the compensation committee deems appropriate for the proper administration of the EIP, (i) accelerate the vesting or exercisability of, payment for or lapse of restrictions on, awards and (j) make any other determination and take any other action that the compensation committee deems necessary or desirable for the administration of the EIP.

The EIP provides that in the event of a change of control event, (i) all of the then outstanding options and stock appreciation rights granted pursuant to the EIP will immediately vest and become immediately exercisable as of a time prior to the change in control, (ii) any performance goal restrictions related to an award will expire as of a time prior to the change in control and (iii) any performance periods that relating to an award which have not yet expired on the date the change in control occurs will end on such date, and the compensation committee will (a) determine the extent to which performance goals with respect to each such performance period have been met based upon such audited or unaudited financial information or other information then available as it deems relevant and (b) cause the relevant participant to receive partial or full payment of awards for each such performance period based upon the compensation committee's determination of the degree of attainment of the performance goals, or assuming that the applicable "target" levels of performance have been attained or on such other basis determined by the compensation committee.

In addition, subject to the EHA, our Board of Directors may amend our EIP at any time. However, without stockholder approval, our EIP may not be amended in a manner that would:

- increase the number of shares that may be issued under our EIP;
- materially modify the requirements for eligibility for participation in our EIP;
- materially increase the benefits to participants provided by our EIP; or
- otherwise disqualify our EIP for coverage under Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended.

Awards previously granted under our EIP may not be impaired or affected by any amendment of our EIP, without the consent of the affected grantees.

The Equity Holders Agreement governs the rights and obligations of each of the parties as they pertain to our securities and to the present and future governance of our company. Pursuant to the Equity Holders Agreement:

- Mayne Pharma agreed that while the Equity Holders Agreement remains in effect, Mayne Pharma will not act in concert as part of a "group" (as defined in Section 13(d) of the Securities Exchange Act of 1934, as amended) with any other person or persons to own or control more than fifty percent (50%) of the outstanding common stock;
- Mayne Pharma and its affiliates have been granted a right of first refusal to purchase a pro rata share of any new securities issued by us, such pro rata share to be determined based upon the number of shares of common stock held by Mayne Pharma on a fully diluted basis as compared to the number of shares of common stock outstanding immediately prior to the offering of the new securities on a fully diluted basis;

-
- Mr. Virca agreed to lock-up his equity securities of our company until the earlier of: (i) September 3, 2016, (ii) the receipt of written notice of acceptance for the filing of an NDA for the product licensed to us by Mayne Pharma, or, (iii) to the extent provided in an applicable award agreement, upon his death or disability;

Notwithstanding the foregoing, Mr. Virca and Dr. O'Donnell may be removed without unanimous approval of the board of directors upon the occurrence of the Majority Holder Condition (described below), or Material Breach Condition (described below);
 - The Equity Holder Parties agree to use diligent good faith efforts to ensure that the board of directors continues to consist of a majority of "Independent Directors" (as defined in the Equity Holders Agreement) until such time as (i) a single stockholder (not acting as part of a "group") of our company owns greater than ninety percent (90%) of our common stock or (ii) only for so long as Mayne Pharma holds at least forty percent (40%) of our outstanding common stock, there is a material breach of any document relating to the transactions by and among the Equity Holder Parties on May 15, 2015 other than by Mayne Pharma, and Mayne Pharma has not otherwise nominated, designated, elected or appointed a majority of the directors on our board of directors (we collectively refer to this breach as the Material Breach Condition);

Upon the occurrence of the Majority Holder Condition, the majority holder or Mayne Pharma, respectively, may remove any current director and appoint a new director as long as our board of directors continues to consist of a majority of Independent Directors. Upon the occurrence of the Material Breach Condition, the requirement that the board of directors consist of a majority of Independent Directors will cease and Mayne Pharma will have the right to remove any current director and appoint a new director. Mayne Pharma may remove current directors and appoint new directors by written consent or by calling a meeting in accordance with our Bylaws, as amended; and
 - Mayne Pharma was granted a right of first refusal to purchase any shares of our common stock being transferred or sold by the individual account of Dr. O’Donnell or Mr. Virca except for certain exempt transfers as described in the Equity Holders Agreement.

In November 2016, as a result of Mayne Pharma’s partial exercise of two outstanding common stock warrants, the Majority Holder Condition was achieved, and the foregoing description of the terms of the EHA should be read in light of this fact.

In addition to the foregoing, pursuant to the Equity Holders Agreement, the Equity Holder Parties agreed that we would seek to (i) close on one or more registered or unregistered equity, debt or equity-linked financings in which we receive aggregate net proceeds of at least \$5,000,000 or (ii) enter into a license, development, commercialization or similar agreement relating to our product, provided that we receive a net upfront payment of at least \$5,000,000 in connection with such agreement and that such agreement will be subject to the approval of Mayne Pharma (collectively, we refer to this goal as the Performance Goal) on or before May 31, 2016 (we refer to this date as the Performance Goal Date). Under the Equity Holders Agreement, all previously required performance goals as set forth in the original Equity Holders Agreement have been removed and replaced solely with the Performance Goal. On May 25, 2016, with the closing of the 2016 Private Placement, we met the Performance Goal.

The Equity Holders Agreement terminates (i) if we receive an adjudication of bankruptcy, we execute an assignment for the benefit of creditors, a receiver is appointed for us or we are voluntarily or involuntarily dissolved or (ii) if we, Hedgepath, LLC and Mayne Pharma expressly agree in writing. Additionally, certain limited provisions of the Amended and Restated Equity Holders Agreement terminate at such time as the Mayne Pharma and its affiliates collectively own less than ten percent (10%) of our common stock on a fully diluted basis. In connection with their entry into the Equity Holders Agreement, the Equity Holder Parties agreed to waive, among other things, certain specified prior breaches by us of our obligations under the Amended and Restated Equity Holders Agreement entered into in June 2014.

Delivery of Documents To Security Holders Sharing An Address

If hard copies of the materials are requested, we will send only one Information Statement and other corporate mailings to stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Information Statement to a stockholder at a shared address to which a single copy of the Information Statement was delivered. You may make such a written or oral request by (a) sending a written notification stating (i) your name, (ii) your shared address and (iii) the address to which the Company should direct the additional copy of the Information Statement, to the Company at 324 S. Hyde Park Avenue, Ste. 350, Tampa, Florida 33606. If multiple stockholders sharing an address have received one copy of this Information Statement or any other corporate mailing and would prefer the Company to mail each stockholder a separate copy of future mailings, you may send notification to or call the Company's principal executive offices. Additionally, if current stockholders with a shared address received multiple copies of this Information Statement or other corporate mailings and would prefer the Company to mail one copy of future mailings to stockholders at the shared address, notification of such request may also be made by mail or telephone to the Company's principal executive offices.
